LEXINGTON, KENTUCKY, USA, January 31, 2023/SafeCareGroup.com/-- The SafeCare Group, the company that connects people with great hospitals released its 1st Quarter 2023 Star Ratings on its www.100safecarehospitals.com site.

Healthcare consumers utilize the site to compare the quality of care at over 4,500 accredited hospitals, including over 130 Veterans Administration (VA) medical centers and over 50 military hospitals.

“It’s been over a Decade of Hospital Ratings - 5,000 civilian and 200 US government hospitals....

We added new smart search to www.100safecarehospitals.com....

We incorporated linkage to the site with www.rateahospital.com....

All for a better hospital quality search experience,”

Regarding overall quality hospital quality performance, Yisrael M. Safeek, MD, MBA, The SafeCare Group Chairman stated, “For this quarter, hospitals performance on www.100safecarehospitals.com appears to run parallel with patient reviews received at www.rateahospital.com. Earlier, SafeCare magazine published “25 Most Shocking Patient Reviews January 2023” which are merely a slice of mediocre healthcare received at the nation’s hospitals.”

Chairman,
The SafeCare Group**

Dr. Safeek continued, “The article is a compilation of 25 patient reviews including patient abandonment, long waits, excessive readmissions, and medical errors. Some of these reviews are about care received at hospitals whose websites display purchased decorations from tabloid outlets that have problems reporting world events without bias. It is no wonder that patients are fed up with the status quo and this is reflected in their reviews of hospitals.”
