commitment to superior performance in metrics that matter to patients, payers, and physicians. We felt our company’s hard-earned reputation was something worth protecting and wanted to prevent any confusion in the marketplace. To help protect the value of the designation in the marketplace, The SafeCare Group applied for and recently received registered trademark status for Softwaring Healthcare Excellence by the US Patent and Trademark Office (USPTO).”

About The SafeCare Group®

The SafeCare Group was founded in 2010 and its motto is “Innovating, Disrupting, Transforming” healthcare.

SafeCareSoft® SaaS solutions enable hospitals to take advantage of disruptive healthcare software known as Softwaring Healthcare Excellence® that optimize hospital reimbursement and accreditation. Since 2012, SafeCare Analytics® have been helping hospitals excel with physician privileging software for Joint Commission OPPE, and hospital software for better readmissions, complications, infections, and value. Since 2013, 100 SafeCare Hospitals® listings have been Recognizing Healthcare Excellence® of 100 US hospitals that excelled with low infections, readmissions, complications, high patient satisfaction, and high value. Since 2015, SafeCare® magazine has been delivering information on the people, ideas and novel technologies affecting access, cost, and quality of healthcare across the globe.
