About The SafeCare Group®

**Since 2013,
The SafeCare Group has been comparing the cost, quality, and safety performance of
about 5,000 accredited hospitals, including over 130 Veterans Affairs hospitals and
over 50 military hospitals.**

Since 2016, The SafeCare Group invested heavily into Artificial Intelligence (AI) platforms known as Intelligent Healthcare™ PaaS by leveraging machine learning and deep-learning capabilities. SafeCare AI® Suite fosters a new generation of AI applications, which are able to sense, reason, act and adapt, to address a range of healthcare challenges in such areas as readmissions, medical errors, infections, cost, and outpatient utilization. Since 2014, SafeCareSoft® SaaS solutions enable hospitals to take advantage of disruptive healthcare software known as Softwaring Healthcare Excellence® that optimize hospital ratings and regulatory accreditation. In 2013, <https://www.100safecarehospitals.com/> rankings were created to help consumers choose a better hospital. In 2019, The SafeCare Group launched <https://rateahospital.com/> to allow patients to share care experiences. **The SafeCare Group® was founded in 2010.** For more information visit www.safecaregroup.com
