

SafeCare

A Banner Year for The SafeCare Group

LEXINGTON, KENTUCKY, USA, December 17, 2025/SafeCareGroup.com/-- 2025 was a banner year for The SafeCare Group as we celebrated our 15th Anniversary in business.

Started in 2010, The SafeCare Group is a software tech company focused on advanced healthcare analytics and artificial intelligence.

The SafeCare Group is focused on improving healthcare through technology – everything from health systems deploying AI platforms to improving care outcomes, to implementing SaaS provider quality scorecards, to helping patients choose a hospital, and leaving online reviews covering their experiences.

According to Yisrael M. Safeek, MD, MBA, Chairman and CEO, “We started during the Great Recession, survived the Great Pandemic and achieved our first 15 years debt free and without venture capital funding. We believe that is some accomplishment.”

“We started during the Great Recession, survived the Great Pandemic, and achieved our first 15 years debt free, and without venture capital funding. We believe that is some accomplishment,”

**Yisrael M. Safeek, MD, MBA
Chairman & CEO
The SafeCare Group**

In addition to the 15th Anniversary of The SafeCare Group, other cause for celebration also include:

- 10th Anniversary of SafeCare magazine www.safecaremagazine.com
- 5th Anniversary of our patient review site www.rateahospital.com

About The SafeCare Group®

Started in 2010, The SafeCare Group is a software tech company focused on advanced healthcare analytics and artificial intelligence. The SafeCare Group is focused on improving healthcare through technology – everything from health systems deploying AI platforms to improving care outcomes, to implementing SaaS provider quality scorecards, to helping patients choose a hospital, and leaving online reviews covering their experiences.. In 2019, The SafeCare Group launched <https://rateahospital.com/> to allow patients to share care experiences, and in 2013, <https://www.100safecarehospitals.com/> rankings were created to empower healthcare consumers. Since 2016, The SafeCare Group invested heavily into Artificial Intelligence (AI) platforms known as Intelligent Healthcare™ PaaS by leveraging machine learning and deep-learning capabilities. SafeCare AI® Suite <https://www.safecaregroup.com/intelligent-healthcare.html> fosters a new generation of AI applications, which are able to sense, reason, act and adapt, to address a range of healthcare challenges in areas such readmissions, medical errors, infections, cost, and outpatient utilization. Since 2014, SafeCareSoft® SaaS solutions enable hospitals to take advantage of disruptive healthcare software known as Softwaring Healthcare Excellence® that optimize hospital ratings and regulatory accreditation. The SafeCare Group® was founded in 2010 and is celebrating its 15th anniversary.
