"100 SafeCare Hospitals demonstrates The SafeCare Group's increased focus and continued investments in developing solutions that bring value to hospital consumers seeking quality healthcare," stated Yisrael M. Safeek, MD, MBA, The SafeCare Group Chairman and CEO. "Further, consumers can compare hospitals based on star ratings in hospital timeliness of service, infections of care, complications of treatments, readmissions within 30 days of discharges, and hospital deaths within 30 days of discharges."

www.100SafeCareHospitals.com site works in tandem with www.RateAHospital.com site where patients can rate their hospital care experiences in five metrics.

According to Dr. Safeek, the quarterly rankings at www.100safecarehospitals.com are designed to help hospital healthcare consumers across their healthcare journey as they choose a hospital. Dr. Safeek stated, "For the first decade of www.100safecarehospitals.com, traffic and feedback from healthcare consumers have exceeded expectations. In addition, after viewing our hospital ratings, health consumers also share their own ratings at www.rateahospital.com site."

Healthcare consumers can find information about the quality of care at over 4,500 accredited hospitals, including over 130 Veterans Administration (VA) medical centers and over 50 military hospitals, across the country.

The company also released its 2022 SafeCare Hospital of the Year at www.safecaremagazine.com.

About The SafeCare Group®
The SafeCare Group is focused on helping patients by extending our products across their healthcare journey - everything from finding a hospital, writing reviews, and staying connected afterwards. In 2019, The SafeCare Group launched https://rateahospital.com/ to allow patients to share care experiences, and in 2013, https://www.100safecarehospitals.com/ rankings were created to empower healthcare consumers.
