American Disgrace

200 Disgraceful Hospital Reviews June 2023

LEXINGTON, KENTUCKY, USA, July 11, 2023/SafeCareGroup.com/-- SafeCare magazine announced today the release of its July edition *American Disgrace*.

This edition is about shedding light on why American healthcare is widely regarded as a disgrace, exploring its flaws and the urgent need for comprehensive reform. From exorbitant costs and inadequate coverage to glaring inequalities and inefficiencies, the American healthcare system faces significant challenges that tarnish its reputation. By examining these issues, it becomes evident that urgent reforms are needed to address the disgraceful state of American healthcare.

“In a number of opinion surveys, a majority of Americans today express dissatisfaction with the nation's health care system, and this dissatisfaction has reached the point that they believe the system to be in crisis and that a completely new health care system is needed,”

Yisrael M. Safeek, MD, MBA
Chairman & CEO,
The SafeCare Group

Yisrael Safeek, MD, MBA, CEO of The SafeCare Group stated, “The American health care system is a broken system in need of reform as it puts profits over human lives.”

SafeCare

“The current scheme allows pharmaceutical companies, hospitals, and insurance companies to charge exorbitant prices for medical services, prescription drugs, and insurance premiums. As a result, millions of Americans struggle to afford essential care, and medical bills are a leading cause of personal bankruptcies.”

In addition to the main article, there are 200 disgraceful patient reviews from June from the patient rating site, rateahospital.com

About The SafeCare Group®

The SafeCare Group is focused on helping patients by extending our products across their healthcare journey - everything from finding a hospital, writing reviews, and staying connected afterwards. In 2019, The SafeCare Group launched <https://rateahospital.com/> to allow patients to share care experiences, and in 2013, <https://www.100safecarehospitals.com/> rankings were created to empower healthcare consumers. Since 2016, The SafeCare Group invested heavily into Artificial Intelligence (AI) platforms known as Intelligent Healthcare™ PaaS by leveraging machine learning and deep-learning capabilities. SafeCare AI® Suite <https://www.safecareai.com/> fosters a new generation of AI applications, which are able to sense, reason, act and adapt, to address a range of healthcare challenges in areas such readmissions, medical errors, infections, cost, and outpatient utilization. Since 2014, SafeCareSoft® SaaS solutions enable hospitals to take advantage of disruptive healthcare software known as Softwaring Healthcare Excellence® that optimize hospital ratings and regulatory accreditation. The SafeCare Group® was founded in 2010 and is focused on utilizing AI machine learning, deep learning and artificial neural networks (including Long Short Term Memory) to predict healthcare outcomes.
