# Mediocre Hospital Outcomes Report

Analyzing The Puzzle of Poor U.S. Hospital Care

LEXINGTON, KENTUCKY, USA, May 10, 2022/SafeCareGroup.com/-- The SafeCare Group, the company that connects people with great hospitals released *Mediocre Hospital Outcomes Report: Analyzing the Puzzle of Poor U.S. Hospital Care with Recommendations*.

"What is needed to improve U.S. hospitals outcomes are reforms with teeth and more precise alignment of financial incentives. These reforms should address:

- **Lack of hospital systems executive accountability;**
- **Ineffective CMS pay-for-performance programs;**
- **Unpoliced GPO anticompetitive business practices;**
- **Overabundance of defensive medicine,"**

**Yisrael M. Safeek, JD
Interim CEO,
The SafeCare Group**

A comparison analysis of various for-profit versus non-profit hospital systems was performed for the report. The 2022 report was designed to assess hospital systems performance in relevant outcomes metrics. Hospital systems were compared based on similar number of hospitals within the corporate network, and matched up in five outcomes categories. There were significant conclusions drawn from the findings in the report.
