## Boogeyman Healthcare

### *Haunting Realities & Harrowing Experiences*

LEXINGTON, KENTUCKY, USA, October 16, 2023/SafeCareGroup.com/-- SafeCare magazine announced today the release of its October edition *Boogeyman Healthcare*.

This edition of SafeCare focuses on the frightful state of American healthcare. Despite being one of the wealthiest nations in the world, the United States faces a myriad of issues that make its healthcare system a source of anxiety and concern for its citizens. Unlike most developed nations, the U.S. does not provide its citizens with a comprehensive healthcare safety net.

*“The United States, one of the wealthiest nations on Earth, paradoxically grapples with an unsettling reality...*

*- a healthcare system that leaves millions of its citizens without healthcare coverage,”*

**Yisrael M. Safeek, MD, MBA  
Chairman & CEO,  
The SafeCare Group**

Yisrael Safeek, MD, MBA, Chairman and CEO of The SafeCare Group stated, “The state of healthcare in America can be truly frightening. For many, accessing quality medical care has become a harrowing experience, a testament to a system that prioritizes profit over people.”

The cover story delves into the many reasons why healthcare represents Halloween everyday for Americans.

*“Uninsured and underinsured individuals wander through a healthcare labyrinth, where exorbitant costs serve as menacing gatekeepers.”*

- Uninsured and underinsured individuals wander through a healthcare labyrinth, where exorbitant costs serve as menacing gatekeepers.
- Emergency rooms, once places of refuge, now serve as theaters for financial horror stories, where astronomical bills await those in dire need.
- The relentless pursuit of profit by insurance companies and pharmaceutical giants casts a sinister pallor over the American healthcare landscape, leaving families vulnerable to bankruptcy in the face of illness.

#### **About The SafeCare Group®**

Since 2016, The SafeCare Group invested heavily into Artificial Intelligence (AI) platforms known as Intelligent Healthcare™ PaaS by leveraging machine learning and deep-learning capabilities. SafeCare AI® Suite <https://www.safecareai.com/> fosters a new generation of AI applications, which are able to sense, reason, act and adapt, to address a range of healthcare challenges in areas such as readmissions, medical errors, infections, cost, and outpatient utilization. Since 2014, SafeCareSoft® SaaS solutions enable hospitals to take advantage of disruptive healthcare software known as Softwaring Healthcare Excellence® that optimize hospital ratings and regulatory accreditation. The SafeCare Group® was founded in 2010 and is focused on utilizing AI machine learning, deep learning and artificial neural networks (including Long Short-Term Memory) to predict healthcare outcomes. The SafeCare Group is focused on helping patients by extending our products across their healthcare journey - everything from finding a hospital, writing reviews, and staying connected afterwards. In 2019, The SafeCare Group launched <https://rateahospital.com/> to allow patients to share care experiences, and in 2013, <https://www.100safecarehospitals.com/> rankings were created to empower healthcare consumers.
