Inadequate Healthcare during the Holidays

LEXINGTON, KENTUCKY, USA, December 11, 2023/SafeCareGroup.com/-- SafeCare magazine announced today the release of its December edition *Grinch Healthcare*.

Grinch Healthcare edition of SafeCare focuses on “Plight of Inadequate Healthcare During the Holidays”. The cover story article is authored jointly by The SafeCare Group’s Chairman Yisrael M. Safeek, MD, MBA, and Vice chairman Yisrael M. Safeek, JD.

“Amidst the glittering lights and joyful carols, there exists a grim reality for millions in America: GRINCH healthcare,”

Yisrael M. Safeek, MD, MBA
Chairman & CEO
The SafeCare Group

Yisrael M. Safeek, MD, MBA Chairman and CEO of The SafeCare Group stated: “Grinch Healthcare refers to the plight of inadequate healthcare during the holiday seasons.

The inadequate healthcare is due to a plethora of factors and the article highlights the more important ones.”

Yisrael M. Safeek, ESQ Vice Chairman of The SafeCare Group stated: “While Christmas embodies the spirit of giving and goodwill, for countless individuals, the lack of proper healthcare transforms the season into a time of hardship, despair, and compromised wellbeing.”

Yisrael M. Safeek, ESQ added, “The cause of inadequate healthcare around this time is multifactorial. The factors are primarily capacity and capability issues, such as inadequate access and overwhelmed services. The absence of accessible, quality healthcare casts a shadow over the festivities, reminding us of the need for systemic improvements and equitable access to health services for all.”

The factors mentioned in the main article are:

- Access to Healthcare;
- Overwhelmed Hospitals;
- Mental Health Neglect;
- and Health Inequities.

“While Christmas embodies the spirit of giving and goodwill, for countless individuals, the lack of proper healthcare transforms the season into a time of hardship, despair, and compromised wellbeing,”

Yisrael M. Safeek, ESQ
Vice Chairman
The SafeCare Group

About The SafeCare Group®

Since 2016, The SafeCare Group invested heavily into Artificial Intelligence (AI) platforms known as Intelligent Healthcare™ PaaS by leveraging machine learning and deep-learning capabilities. SafeCare AI® Suite <https://www.safecareai.com/> fosters a new generation of AI applications, which are able to sense, reason, act and adapt, to address a range of healthcare challenges in areas such as readmissions, medical errors, infections, cost, and outpatient utilization. Since 2014, SafeCareSoft® SaaS solutions enable hospitals to take advantage of disruptive healthcare software known as Softwaring Healthcare Excellence® that optimize hospital ratings and regulatory accreditation. The SafeCare Group® was founded in 2010 and is focused on utilizing AI machine learning, deep learning and artificial neural networks (including Long Short-Term Memory) to predict healthcare outcomes. The SafeCare Group is focused on helping patients by extending our products across their healthcare journey - everything from finding a hospital, writing reviews, and staying connected afterwards. In 2019, The SafeCare Group launched <https://rateahospital.com/> to allow patients to share care experiences, and in 2013, <https://www.100safecarehospitals.com/> rankings were created to empower healthcare consumers.
