Jive Turkey Leadership

A Betrayal of Trust by Healthcare Management

LEXINGTON, KENTUCKY, USA, November 18, 2023/SafeCareGroup.com/-- SafeCare magazine announced today the release of its November edition *Jive Turkey Leadership*.

This edition of SafeCare focuses on a subset of healthcare leaders who, driven by personal gain or misguided motives, engage in dishonest practices that undermine the very essence of healthcare. The special focus is on the disconcerting phenomenon of Jive Turkey Leadership, the consequences of their actions, and the need for ethical and transparent leadership in healthcare.

“Jive Turkey Leadership represents a breach of trust in the healthcare sector.

Their actions have far-reaching consequences, affecting patients, employees, and the overall healthcare system.

The healthcare industry should demand ethical and transparent leadership to ensure the well-being and safety of patients and the integrity of healthcare institutions,”

**Yisrael M. Safeek, MD, MBA
Chairman & CEO
The SafeCare Group**

Yisrael Safeek, MD, MBA, Chairman and CEO of The SafeCare Group stated, “The healthcare sector is supposed to be built upon trust, where patients rely on the integrity of healthcare professionals and administrators to provide quality care.”

Dr. Safeek continued, “In the realm of healthcare, trust is paramount. Patients and their families rely on the integrity and ethical conduct of healthcare professionals to provide them with the best care. At the helm of healthcare institutions, hospital leadership bear the responsibility of upholding these principles.”

Motivations Behind Jive Turkey Leadership

Financial Gain
Image Management
Regulatory Compliance Evasion

Jive Turkey Leadership refers to management that is unreliable, makes empty promises, or dishonest and full of bluster.

About The SafeCare Group®

Since 2016, The SafeCare Group invested heavily into Artificial Intelligence (AI) platforms known as Intelligent Healthcare™ PaaS by leveraging machine learning and deep-learning capabilities. SafeCare AI® Suite <https://www.safecareai.com/> fosters a new generation of AI applications, which are able to sense, reason, act and adapt, to address a range of healthcare challenges in areas such as readmissions, medical errors, infections, cost, and outpatient utilization. Since 2014, SafeCareSoft® SaaS solutions enable hospitals to take advantage of disruptive healthcare software known as Softwaring Healthcare Excellence® that optimize hospital ratings and regulatory accreditation. The SafeCare Group® was founded in 2010 and is focused on utilizing AI machine learning, deep learning and artificial neural networks (including Long Short-Term Memory) to predict healthcare outcomes. The SafeCare Group is focused on helping patients by extending our products across their healthcare journey - everything from finding a hospital, writing reviews, and staying connected afterwards. In 2019, The SafeCare Group launched <https://rateahospital.com/> to allow patients to share care experiences, and in 2013, <https://www.100safecarehospitals.com/> rankings were created to empower healthcare consumers.
