Zionist War Against Semitic Kids

LEXINGTON, KENTUCKY, USA, September 3, 2024/SafeCareGroup.com/-- Israel's war in Gaza is a war against Semitic Palestinian children. One of the main victims of the ongoing assault on Gaza has been a group that is, by far, the most defenseless and furthest removed from all that is driving Israel's campaign of death and destruction: children.

Philippe Lazzarini, head of the UN Relief and Works Agency for Palestine Refugees (UNRWA), aptly described the Israeli offensive as "a war on children ... a war on their childhood and their future."

His stark warning was echoed by UN chief Antonio Guterres, who said in a General Assembly speech in May: "If there is a hell on earth, it is the lives of children in Gaza."

"As a Jew, I must not be silent when I see injustice. According to reliable sources, Israeli assault in Palestine has been a war on Semitic kids – killing on average 58 every single day.

Since Oct. 7 last year, Israel has killed almost 16,000 children, injured around 34,000, nearly 21,000 are missing, and another 17,000 have been orphaned,"

**Yisrael M. Safeek, MD, MBA

“As a Jew, I must not be silent when I see injustice,” stated Yisrael M. Safeek, MD, MBA, The SafeCare Group CEO. “According to reliable sources, Israeli assault in Palestine has been a war on Semitic kids – killing on average 58 every single day. Since Oct. 7 last year, Israel has killed almost 16,000 children, injured around 34,000, nearly 21,000 are missing, and another 17,000 have been orphaned.”

Our editors have put together a short gallery of Palestinian children injured by the Israel war machine.

Other stories covered include:

- “Butchered - I have had multiple experiences with them of what I believe to be malpractice.”
- “Nightmare Experience - The incompetence at this hospital was frightening! Extremely frightening!”

About The SafeCare Group®

The SafeCare Group is focused on helping patients by extending our products across their healthcare journey - everything from finding a hospital, writing reviews, and staying connected afterwards. In 2019, The SafeCare Group launched <https://rateahospital.com/> to allow patients to share care experiences, and in 2013, <https://www.100safecarehospitals.com/> rankings were created to empower healthcare consumers. Since 2016, The SafeCare Group invested heavily into Artificial Intelligence (AI) platforms known as Intelligent Healthcare™ PaaS by leveraging machine learning and deep-learning capabilities. SafeCare AI® Suite <https://www.safecaregroup.com/intelligent-healthcare.html> fosters a new generation of AI applications, which are able to sense, reason, act and adapt, to address a range of healthcare challenges in areas such as readmissions, medical errors, infections, cost, and outpatient utilization. Since 2014, SafeCareSoft® SaaS solutions enable hospitals to take advantage of disruptive healthcare software known as Softwaring Healthcare Excellence® that optimize hospital ratings and regulatory accreditation. The SafeCare Group® was founded in 2010 and is celebrating its 10th anniversary.
