## Palestinian Jesus

### *Jesus Was a Palestinian Jew Who Spoke Aramaic*

LEXINGTON, KENTUCKY, USA, December 19, 2024/SafeCareGroup.com/-- SafeCare magazine delves into the genetic origins of Jesus, and concludes that Jesus was a Palestinian.

SafeCare magazine directs its readers to the international bestseller, *The Invention of the Jewish People* by Shlomo Sand. Jewish Professor of History at Tel Aviv University. Below are key points from the book:

*The expulsion of Jews from Judea did not happen.*

*Many Judean Jews accepted Islam and are the ancestors of today's Palestinians.*

*The "nation-race" of Jews with a common origin doesn't exist and the "Jewish diaspora" is a modern invention.*

*The ancestors of European Jews mostly converted to Judaism and have no origin in Palestine.*

Source: *The Invention of the Jewish People* by Shlomo Sand, Jewish Professor of History at Tel Aviv University

Actual extract from the book states,

***"At a certain stage in the 19th century intellectuals of Jewish origin in Germany, influenced by the folk character of German nationalism, took upon themselves the task of inventing a people 'retrospectively, out of a thirst to create a modern Jewish people'"***

### **The Invention of the Jewish People**

Our lead article "Palestinian Jesus" is written by a Palestinian Christian, Walid Mosarsaa.

"To say that Jesus is Palestinian," Mr. Mosarsaa wrote, "is to fight back against revisionist narratives about the history of Palestine and the view that Jesus' Jewish identity must be pitted against his identity as a Palestinian."

The following is a Photo from our cover story highlighting two Semitic Palestinian mothers hugging their offsprings, same place in the world, over 2,000 years apart.

We invite our readers to study the physical features, and dress of the women and children.

In addition to our cover story, we also feature several other articles contributed by patients:

- On Behalf of My Dead Mom
- Holy Linens
- Overpriced Healthcare
- Uncommon Spirit

### About The SafeCare Group®

The SafeCare Group is focused on helping patients by extending our products across their healthcare journey - everything from finding a hospital, writing reviews, and staying connected afterwards. In 2019, The SafeCare Group launched <https://rateahospital.com/> to allow patients to share care experiences, and in 2013, <https://www.100safecarehospitals.com/> rankings were created to empower healthcare consumers. Since 2016, The SafeCare Group invested heavily into Artificial Intelligence (AI) platforms known as Intelligent Healthcare™ PaaS by leveraging machine learning and deep-learning capabilities. SafeCare AI® Suite <https://www.safecaregroup.com/intelligent-healthcare.html> fosters a new generation of AI applications, which are able to sense, reason, act and adapt, to address a range of healthcare challenges in areas such as readmissions, medical errors, infections, cost, and outpatient utilization. Since 2014, SafeCareSoft® SaaS solutions enable hospitals to take advantage of disruptive healthcare software known as Softwaring Healthcare Excellence® that optimize hospital ratings and regulatory accreditation. The SafeCare Group® was founded in 2010 and is celebrating its 10th anniversary.
