## Uncovering The Dark Side Of Healthcare

### 100 Worst Hospitals 2023

LEXINGTON, KENTUCKY, USA, February 7, 2023/SafeCareGroup.com/-- SafeCare magazine announced today the release of *Uncovering The Dark Side Of Healthcare: 100 Worst Hospitals 2023*.

The 100 Worst Hospitals list was derived from metrics utilized at [www.100safecarehospitals.com](http://www.100safecarehospitals.com) site, which is celebrating its 10<sup>th</sup> anniversary of hospital rankings.

Healthcare consumers utilize the site to compare the quality of care at over 4,500 accredited hospitals, including over 130 Veterans Administration (VA) medical centers and over 50 military hospitals. Hospitals are rated and ranked on important quality, safety, and efficiency metrics.

*“The importance of choosing the right hospital:*

*Identifying the worst hospitals,”*

When it comes to healthcare, choosing the right hospital can make all the difference. Unfortunately, not all hospitals are created equal, and some are considered to be the worst in terms of quality, safety, and efficiency of care.

*Uncovering The Dark Side Of Healthcare: 100 Worst Hospitals 2023* discuss the various factors that can contribute to a hospital being considered one of the worst and what patients can do to make informed decisions about their medical treatment.

## About The SafeCare Group®

The SafeCare Group is focused on helping patients by extending our products across their healthcare journey - everything from finding a hospital, writing reviews, and staying connected afterwards. In 2019, The SafeCare Group launched <https://rateahospital.com/> to allow patients to share care experiences, and in 2013, <https://www.100safecarehospitals.com/> rankings were created to empower healthcare consumers. Since 2016, The SafeCare Group invested heavily into Artificial Intelligence (AI) platforms known as Intelligent Healthcare™ PaaS by leveraging machine learning and deep-learning capabilities. SafeCare AI® Suite <https://www.safecareai.com/> fosters a new generation of AI applications, which are able to sense, reason, act and adapt, to address a range of healthcare challenges in areas such readmissions, medical errors, infections, cost, and outpatient utilization. Since 2014, SafeCareSoft® SaaS solutions enable hospitals to take advantage of disruptive healthcare software known as Softwaring Healthcare Excellence® that optimize hospital ratings and regulatory accreditation. The SafeCare Group® was founded in 2010 and is celebrating its 10th anniversary.
