

SafeCare

Zionist Savagery

Stop the Monster

LEXINGTON, KENTUCKY, USA, August 18, 2025/SafeCareGroup.com/-- Since 1948, fanatical American Evangelical Zionists and European Atheist Zionists (sharing no semitic DNA of the Holy Land) have posed as descendants of the biblical Israelites.

Further, they have committed unspeakable atrocities against the semitic Palestinian descendants of the Children of Israel.

In 2023, the Zionist entity carried out its latest evil phase of this evil campaign by perpetrating savagery in Gaza.

The war criminal Zionist Prime Minister Benjamin Mileikowsky (alias Netanyahu), gave advance warning of his evil plan at the United Nations.

***“Since 1948,
fanatical American Evangelicals
and European Atheists
have commenced a Zionist
campaign of killing off the
Palestinian descendants of the
Children of Israel
to conceal crimes of:
semitic identity theft,
stolen land,
and looted possessions.”***

This edition is primarily a photo album, documenting crimes of bombing a civilian population, and starving them to death.

We also included a statement by His Excellency Dr. Mahathir Bin Mohamad, Former Prime Minister of Malaysia: Stop the Monster.

- 15th Anniversary of The SafeCare Group
- Semitic Descendants of the Biblical Israelites
- Stop The Monster
- Zionist Savagery Photo Album

About The SafeCare Group®

The SafeCare Group is focused on helping patients by extending our products across their healthcare journey - everything from finding a hospital, writing reviews, and staying connected afterwards. In 2019, The SafeCare Group launched <https://rateahospital.com/> to allow patients to share care experiences, and in 2013, <https://www.100safecarehospitals.com/> rankings were created to empower healthcare consumers. Since 2016, The SafeCare Group invested heavily into Artificial Intelligence (AI) platforms known as Intelligent Healthcare™ PaaS by leveraging machine learning and deep-learning capabilities. SafeCare AI® Suite <https://www.safecaregroup.com/intelligent-healthcare.html> fosters a new generation of AI applications, which are able to sense, reason, act and adapt, to address a range of healthcare challenges in areas such readmissions, medical errors, infections, cost, and outpatient utilization. Since 2014, SafeCareSoft® SaaS solutions enable hospitals to take advantage of disruptive healthcare software known as Softwaring Healthcare Excellence® that optimize hospital ratings and regulatory accreditation. The SafeCare Group® was founded in 2010 and is celebrating its 15th anniversary.
